Synopsis

To make ends meet, three old friends think up a "vintage criminal tour" in order to check out the crime scenes of the ruthless Magliana Gang during the 80s. The idea, they are convinced, will be a gold mine. But, due to an unpredictable trick of fate, they are suddenly thrown back into the 80s and find themselves face-to-face with the real members of the gang and a volcanic and disruptive sexy dancer who threatens to mess things up even further. Their knowledge of the future will help the three fellows trick the criminals and get back to 2018. Nevertheless, their trip back in time might just be the perfect opportunity for redemption.
