Everything changes for KLEMEN (15) when his brother PETER (18) falls in love.

Synopsis

Klemen (15) adores his brother Peter (18) who is also his idol and best friend. The boys, raised by a single mother, are growing up in a small countryside town, spending their days on the tennis court, training to be champions.

When Peter falls in love with the beautiful Sonja, Klemen's world starts disintegrating. He feels anger towards his brother's voluptuous girlfriend who is bringing radical change into their life, while at the same time being hopelessly drawn to her feminine sensuality. Sonja is a fully grown young woman, confident in her charms.

Klemen is confused by the unfamiliar emotions washing over him and obsessed with Sonja in various conflicting ways. He comes up with foolish plans to break up Peter and Sonja so he can have his brother back. But his reckless ideas only manage to drive Peter further away, and the boy has to face the consequences of actions that could result in disaster.

Don't Forget To Breathe is an atmospheric and intimate coming of age drama about the fragility of teenage period, jealousy, erotics and the inevitable process of accepting the fact that the world is changing.
