Two wild spirit women meet in a mental clinic, they start a rebellion setting everything and everybody on fire.

Synopsis

Julie is a young, rich and sarcastic patient in a mental clinic, living with a "doing nothing" manifesto: she doesn't study, she doesn't work, she doesn't have friends.

Agnes is a naive nurse and young mother of a three years old child with only one problem in life: she doesn't get the all thing about being a mother. When the two wild spirits meet in the mental clinic, they start a rebellion that will question and set on fire everything and everybody around them.

Stay Still is a witty and radical portrait of a generation with nothing to lose and nothing to gain.
