Synopsis

Turin, 1996. Luigi, a postal security van driver, has a thing for beautiful women and luxury. He dreams all the time about retiring early and move to Costa Rica. But indeed, there's a thin line between the model employee and a criminal mind. When a new law comes up and makes the early retirement impossible, Luigi decides to build up a perfect plan to rob the postal security van together with his best friend and ex-colleague Luciano. They just need a reliable partner and Luigi persuades his shadowy colleague Alvise to join them. But crime is not for everyone and the greed for money of each of them will turn an easy task into a dangerous game.
