

ICARUS IKAR, LEGENDA MIETKA KOSZA

“Icarus” is the true story of Mieczyslaw “Mietek” Kosz, a Polish jazz pianist who died in tragic circumstances and whose life we see through select episodes depicting the most influential moments in his life and career: his childhood on a poor farm in the farmlands of Poland, the loss of his eyesight at a young age, great successes in his musical career accompanied by his loneliness and desperate need for acceptance.
