

KILL OR BE KILLED UCCIDI O MUORI

Ringo, a hired gun on his way to redemption ends up in a wild west town divided by the bad blood between two families, disguised as a violin player. Failing to be recognised by the Sheriff, he also suffers at the hands of the more malevolent of the two families until he kills the youngest member. But then he is injured by the hired gun of this family during an ambush; subsequently saved, he makes a deal with the sheriff and manages to save the other family and kill the bad guys.
