

LESSONS IN CHOCOLATE LEZIONI DI CIOCCOLATO

Mattia, a building contractor on a promising career path, is about to close the biggest deal of his professional life, when his illegally-hired worker Kamal falls off some scaffolding, suffers a severe break and threatens to sue and press charges against Mattia unless... Unless Mattia takes his place in an advanced course for pastry makers! This is the reason Kamal came to Italy from his native Egypt and that will allow him to realize his dream of opening his own pastry shop... Mattia has no choice but to take Kamal's place in the school and pretend to be him. Among laughs and mouth-watering recipes, Mattia will discover a way to bring his and Kamal's disparate cultures together.
