

LOVE & SLAPS LA BELLEZZA DEL SOMARO

It was to be a relaxed weekend in the country for Marcello and Marina – he an architect, she a psychologist, two modern, enlightened fifty-year-olds – if their daughter Rosa, 16, rebellious and spoiled, hadn't decided to bring her new boyfriend home.

Marcello and Marina prepare to meet their daughter's new love, but they're unaware of what (and who) awaits them...

In a weekend of extraordinary madness, besieged by a hoard of friends on the verge of a nervous breakdown, Marcello and Marina see their non-conformist convictions suddenly topple.
