

NEVER CRY WOLF AL LUPO AL LUPO

Gregorio, Vanni and Livia are the three sons of a famous sculptor; Vanni is a classical pianist, Gregorio left music academia and now is a DJ with the nickname of 'Dr. Music', Livia lives a double life with a husband and another man: they live separated and rarely meet.

When the father disappears, the three try to find him and start to travel through all the places of their family's story and in the meantime they start to truly know each other.
