

SPEAKING OF THE DEVIL UN PIEDIE IN PARADISO

Bull Webster is a taxi driver with some work problems on his hands: the Spider Corporation, a giant financial holding company, has decided to buy out his taxi co-operative in order to make it go bankrupt and purchase its land at a low cost. Bull is almost driven to desperation, but then he finds the winning ticket in his pocket to a big lottery. Now he can to make his enemies eat their plan. But at this point, Bull's future begins to interest those responsible for the destiny of human affairs: Heaven and Hell send an Angel and a Devil to tempt Bull into evil or to convince him to do good.
