

THE BLACK INVADERS ODIO MORTALE

Dominique, French Deputy Governor of Fort Carolina and traitor, after having handed the fort over to the Spanish, is appointed Governor. He is a cruel despot but is constantly threatened by a group of courageous men led by the mysterious Ruiz, none other than Capitan André Lebouff, who 15 years earlier, at the time of the betrayal, escaped saving the Governor's daughter Solange. Ruiz manages to scupper Dominique's plot when he attempts to steal Aztec treasure from a Spanish galleon and after various ups and downs, betrayals and boardings, Dominique is killed.
