

¡VIVA SAN ISIDRO! VIVA SAN ISIDRO!

San Isidro is a tiny village in the heart of the Mexican Sierra. The inhabitants decide to take part in a football tournament against the neighbouring ranchos. During the match Quintino, who is playing the worst game of his life, slips down but he suddenly reacquires all his energy and begins scoring goals. The fertilizer they used for the field, found in the forest, is really cocaine hidden there by a drug-cartel. And of course, the gang want it back.
